CORPORATE GOVERNANCE PHILOSOPHY

Our attitude towards Corporate Governance is to maximizing shareholders worth and enhancing stakeholders trust through our fair, ethical and legal corporate behavior for compliance of the laws of land in letter as well as in spirit. The Company is committed to ensure high standards of transparency and accountability to its stakeholders. The fiduciary responsibilities shared by Directors, Key Managerial Personnel and Employees on behalf of members and stakeholders are justified through collective sustainable action taken for achieving the vision set.

For us the corporate governance philosophy do not ends with Company and its stakeholders, but the corporate governance philosophy extends its arms to the environment in which it flourish and sustains.

As a Company, we distinguish ourselves in the market by offering a portfolio of ecologically responsible consumer electronic products, that delivers powerful, sustainable and energy efficient solutions which ultimately saves energy and protect the environment for the generation to come.

We recognize that there are barriers that 'constrain innovation, both in individuals and communities and we work to overcome them. We promote the exchange of ideas through technologies; and standardization that transform the way people experience our products. Our energy efficient solutions enable people to save money and protect their capital investment while also lowering their energy usage and protecting the environment.

In 'SALORA' Corporate Structure, business and financial reporting practices have been evenly aligned to the principles of corporate governance and continuous endeavour is made to improve these practices on an ongoing basis.

In 'SALORA' we position ourselves as a minor stakeholder who only adds value to its net worth, through their professional and skilled acumen, which we possess. We strongly believe, the technology we produce and provides to our customer should justify our tagging words **SALORA a 'TECHNOLOGY FOR HAPPINESS'**

Annexure – VIII**Management Discussion and Analysis Report**

The Management Discussion and Analysis Report has been included in adherence to the spirit enunciated in the code of Corporate Governance, pursuant to requirement of Regulation 34 of SEBI (LODR) Regulations, 2015. The Management Discussion and Analysis presented in this Annual Report focuses on reviewing the performance of the Company.

CONSUMER ELECTRONICS INDUSTRY OVERVIEW

Your Company competes, and continues to do so, primarily in the consumer electronics sector. The consumer electronics consists of televisions, computers, mobile phones and various audio and video systems. Your Company has its focus on these segments, serving with a wide array of products catering to all types of consumer tastes and needs.

This sector has witnessed renewed emphasis along two fronts. The focus on rural prosperity contained in the 2017 budget promises to raise rural incomes and drive up demand for discretionary purchase of consumer electronic items. To complement this demand with supply, the Government has announced via the budget some significant provisions relating to investment promotion, technology up gradation and tax reforms that may benefit to the manufacturers, such as your Company. However, this could be offset by overall economic downturns.

Research efforts worldwide, meanwhile, continue to expand the technology frontier. This leads the consumers to expect ever increasing sensory pleasures and conveniences from adoption of new lifestyles, made possible by new and improved products. Your Company continues to bring to the Indian consumer the benefits of the cutting edge technology, by presenting to them what are arguably some of the most advanced devices.

Such a focus on innovations, combined with a commitment to quality and service excellence, keeps your Company poised to perform beyond expectations in the hyper-competitive consumer durables sector. After sale service network, spread across the length and breadth of the country, further strengthens your Company's status as a dominant competitor in the sector.

COMPANY PROFILE

The Company is a large conglomerate with diversified business interests. The culture of excellence leads to strong performance in all the spheres of its activity. The Company involves itself in the manufacturing and assembly of LED TVs, CRT TVs, TV Components, Home Theaters, Mobile Phone, Mobile Batteries & Chargers and also distribution of large variety of IT and Telecom Products.

The growth of the Company is also intimately tied to the growth of the disposable incomes and the aspirational levels of the Indian consumer. With hectic lifestyles and better monetary rewards in return for their efforts, the Indian consumers now demand more sophisticated devices that facilitate more convenience and entertainment at home. The Company has constantly risen to this challenge by providing consumer-centric innovations contained in consumer electronics and easy to use devices that provide the

advantage of reliability and ease of use and maintenance. To this end, the Company also engages in the sales and after sales service of TVs and Mobile Phones.

COMPANY'S PRODUCTS**Televisions:**

Explosion of a wide variety of entertainment, news and media content in the first three decades of television broadcasting in the country has led to the current situation where a TV is considered a need rather than a comfort or luxury. High levels of penetration have been achieved, meaning that further demand comes from replacement and up gradation purchases. The increase in prosperity due to the sustained GDP growth has led to frequent up gradation of TVs. Earlier it was in terms of technology up gradation (from CRT to LCD and then LED), then in terms of screen sizes and increasingly in terms of quality of display, i.e., towards higher definitions and eventually 3D.

Keeping in line with emerging trends your company is also putting greater emphasis on development of LED TV business. The company has introduced new mobile and also expanded its product range which has been received well by the market. The company now produces LED TV from 19 inch to 48 inches. To ensure company remains competitive it has decided to backward.

In view of the booming Audio market company will launch a range of Audio products comprising if Home theatre systems, tower speakers, sound bass and Bluetooth speakers this will be helpful in getting better visibility also for the company's brand. Growth of Audio Business will also lead to increase the business for speaker unit.

Mobile Phones:

Mobile phones represent a new and exciting category for your Company. Your Company aims to disrupt the market through innovative and feature packed products at an attractive price point. Your Company will leverage its immense experience and capabilities in design and manufacturing to be at the forefront of the mobile led digital revolution that will bring the value added services to the largest number of consumers.

Your company has expanded its product range as well as expanded its geographic coverage. The company will soon launch 4G Smart Phone. Further in order to ensure the good quality the company has started to assemble some of the critical components like battery and charges.

Components:

Fly back transformers and Deflection Yoke demand is rapidly declining. Your company is planning to aggressively to enhance its speaker production. Upgraded production facilities are being planned along with new products like P.A speakers, Car Speakers etc.

Wind Energy:

Wind power generation has the lowest impact on the environment as compared to the other methods of power generation and this is in tandem with our philosophy of being in tune with nature hence we

ventured in power generation with Wind Energy. The Company has five (5) wind turbines 1.25 MW Capacity (6.25 MW total) at Dhule Maharashtra operated and maintained by Suzlon Energy Ltd.

OPPORTUNITIES AND THREATS

The increasing discretionary incomes and improving tastes of the consumers provides many opportunities and possesses some threats.

Opportunities: Consumer Electronics Sector

- **Expanding market:** This high growth is on account of two main factors. Firstly, economic growth will boost the consumption, especially in the rural areas. Secondly, the average selling price of each category will also improve due to consumers trading up towards more premium offerings. This will give the OEMs a more favourable model mix.
- **Lifestyle changes:** Lifestyle changes will lead to increased purchases of LED TVs. Change in the society's priorities away from family to work and education also increases the aspirational purchases, due to the awareness of products through discussions at workplace and societies.
- **Rise of E-Commerce:** E-Commerce companies will play a significant role in expanding the market. By offering big discounts, they are able to bring more price sensitive consumers to the market. They enable easier price discovery across sellers and platforms for the internet savvy consumers. By targeted advertisement based on product search and view history, they are able to sell with a greater persistence but with less outward aggression. Increasing trust through greater familiarity leads to more confident consumer behaviour. Risk averse consumers are also benefitted through the returns policy adopted by many such e-tailers, leading to purchase of higher value items than they would buy otherwise.
- **Availability of affordable credit:** Credit growth in the consumer electronics category has been increasing. Many banks and NBFCs offer attractive loans to purchase goods and televisions. Consumers also use their credit cards to afford purchases of items that they would otherwise hold off on for a while. This has facilitated greater sales of consumer electronic products and this trend is expected to continue.
- **Development of infrastructure:** Electrification of rural areas is expected to provide a big thrust to the sector, since the availability of electricity is a pre-condition for purchase of consumer electronics items. Improving road infrastructure will make it possible to service geographically dispersed demand more efficiently with re-routing of inventory to where demand arises. This reduces the capital tied up in inventory and enhances the supply potential of the OEMs, enabling them to tap a greater portion of the demand.

Threats: Consumer Electronics Sector

- **Rapidly changing consumer tastes:** Consumers are always on the lookout for new and novel experiences. Reliability and quality of products in the conventional sense have become hygiene factors, whose absence creates losers but whose presence does not differentiate winners. Consumers are

looking for a high confluence of frills and features that surprise them with the ease of use and convenience. Staying one step ahead of the consumer's expectations and bringing something new to the table every year will be essential in retaining the excitement in the consumer's mind about a brand and its offerings.

- **Decreasing risk aversion among consumers:** Due to the plethora of distributor brands and domestic brands that specializes in import and rebranding, the consumers have a large number of brands to choose from at the low cost end of the price spectrum. Price sensitivity may lead many consumers to overcome their risk aversion. This threat will have to be countered with appropriate marketing communication about the difference in quality of the Company's products vis-à-vis such competitors and through highlighting the service reputation of the Company.
- **Preference for foreign brands:** Due to the high marketing spends of Multinational Companies (MNCs) the Company faces the threat of a preference developing among consumers for foreign brands. This will have to be countered via appropriate corporate marketing communication stressing the high pedigree of the Company and its commitment to innovation and quality.
- **Threat of concentration of sales:** The rise of modern trade retail chains of various hues leads to the risk of concentration of the Company's sales to a few large customers. This is a threat to the margins of the Company. It can be countered by enhancing the pull factors that drive sales through brand building measures at the corporate level.

RISK & CONCERNS

Risk relating to Consumer Electronics Business

Risk of economic downturns: If the forecast of the economic growth proves to be overly optimistic, then the discretionary consumption of the consumers will reduce. This will decrease the demand for the Company's products. Hence, the Company is vulnerable to risks from an economic downturn.

Disruption of supply or distribution: If acts of God or political unrest disrupt the supply or distribution capabilities of the Company, then sales could suffer and the goodwill of the Company among consumers may be affected.

Forex risks: The raw material imports of the Company will become costlier if the rupee weakens against the dollar. This may affect the profitability of the Company.

Adverse regulation: If the regulatory regime becomes unfavourable and regulations are passed that hamper the existing modes of the Company's conduct of business, the profitability of the Company may be affected.

Tax changes: Changes to the tax code that may increase the incidence of tax or lead to retrogressive taxation may affect the profitability of the Company.

Technological disruptions: If new technologies protected by intellectual property laws revolutionize the industry, making existing products obsolete, then the Company may be affected adversely if

such innovations do not come from within the Company.

Talent management: If high quality talent is not recruited and retained, then the competitiveness of the Company in its managerial effectiveness may be threatened.

Labour unrests: Incidence of labour unrests may disrupt the production of the Company's products and hence poses a risk to the business of the Company.

Change in consumer tastes and priorities: If consumers unexpectedly change their preferences and tastes to disfavour the brand positioning and product offerings of the Company, then the Company may be required to drastically reposition itself, failing which it may lose out on sales.

INDEPENDENT AUDITOR'S REPORT

To the Members of Salora International Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of SALORA INTERNATIONAL LIMITED. (the "Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting

and the operating effectiveness of such controls of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SALORA INTERNATIONAL LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SALORA INTERNATIONAL LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI") These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct

of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS

34 Significant Accounting Policies :

i) Basis of Accounting :

The Financial Statements are prepared under the historical cost convention on accrual basis as a going concern, in accordance with applicable Accounting Standards and relevant presentational requirements of the Companies Act, 2013.

ii) Revenue Recognition :

Sales are recognised on the despatch of goods to customers and accounted for including Excise Duty, excluding Sales tax / VAT and net of returns & claims etc. Net Sales as disclosed are net of Excise Duty. Service Income is recognised as and when the service is complete.

iii) Fixed Assets and Depreciation:

a. Fixed Assets :

Fixed assets (except freehold land) are stated at cost of acquisition and/or cost of construction, less accumulated depreciation Cenvat, Vat etc. claimed on fixed assets is reduced from the cost of respective assets. Borrowing costs that are attributable to the acquisition or construction of fixed assets are capitalized as part of cost of such assets till such time as the asset is ready for its intended use. All other borrowing costs are recognised as an expense in the period in which incurred. Fixed assets are reviewed for impairment of such assets by taking them as part of a cash generating unit and on assets not in use basis on each Balance Sheet date, Impairment loss and reversal of earlier years, if any is recognised to statement of Profit & Loss. Intangible assets are recorded at cost of acquisition less accumulated depreciation / amortisation.

b. Depreciation on Fixed Assets :

Depreciation on Fixed Assets is provided as per Straight Line Method on the basis of useful life of assets specified and in the manner specified in the Schedule II of the Companies Act, 2013. Depreciation is charged on pro-rata basis on Additions/Sales during the year. Depreciation on assets whose actual cost do not exceed Rs. 5000 has been charged 100% without pro-rata basis. Cost of leasehold land and furnishing expenses in leasehold property are amortised over the lease period. Intangible assets are amortised over the useful life of such assets.

iv) Investments :

Investments are classified into Current and Long-term investments. Current investments are stated at the lower of cost or fair value. Long term investments are stated at cost. Provision for diminution is made to recognise a decline, other than temporary, in the value of long term investments.

v) Inventory Valuation

- a. Inventories are valued at cost or net realisable value whichever is lower.
- b. Cost of manufactured finished goods and work in progress includes cost of material, labour and manufacturing overheads and Excise duty in case of finished goods.
- c. Cost is calculated on FIFO basis in respect of Infocom Products and on weighted average basis in respect of Consumer Electronic Products & components thereof.
- d. Obsolete, defective and non/ slow moving inventories are identified at the year end and adequate provision is made in respect thereof.

vi) Excise Duty, Custom Duty & Cenvat:

- a. Excise duty on finished goods and custom duty on raw material is accounted for on clearance of goods from the factory, port / warehouse of the custom. Liability for duty is provided at the end of the year on finished goods stock in factory and raw material stock in custom bonded warehouse or under clearance.
- b. Credit of excise duty, VAT under CENVAT scheme on goods purchased, is reduced from the cost of purchase.
- c. Credit of service tax under cenvat scheme on expenses is reduced from expenses.

vii) Employee Benefits :

- a. Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.
- b. Defined Contribution Plans for Provident Fund, Family Pension and Superannuation benefits are recognised by contribution at specified rate or percentage on salary. No actuarial assumptions are required to measure the obligations or expenses and there is no possibility of any actuarial gain or loss. Moreover the obligations are measured on an undiscounted basis.
- c. Other Post employment and long term employee benefits Gratuity and Leave Pay are recognised as an expense in the statement of Profit and Loss for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the statement of Profit and Loss.
- d. Contribution to Employees Provident Fund and Family Pension Scheme are charged to statement of Profit & Loss as incurred under the relevant Act.
- e. Gratuity is charged to statement of Profit & Loss on the basis of actuarial valuation at the end of the year.
- f. Liability in respect of leave pay is provided on the basis of actuarial valuation at the end of the year.
- g. Differential / extra / temporary employees Gratuity & Leave Pay paid is charged to statement of Profit & Loss.

viii) Foreign Currency Transactions :

Transactions in foreign currency are accounted for at the exchange rates prevalent on the date of transaction. Monetary assets and monetary liabilities related to foreign currency transactions remaining unsettled at the end of the year are worked out at the exchange rate prevalent on the last day of the financial year and exchange difference is charged to statement of Profit & Loss.

ix) Taxation :

Income-tax expense comprises current tax and deferred tax charge or credit. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantially enacted by the Balance Sheet date. Deferred tax assets arising mainly on unabsorbed business loss and unabsorbed depreciation under tax laws, are recognised, only if there is a virtual certainty of its realisation, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognised only to the extent there is a reasonable certainty of its realisation. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realisation.

x) Contingent Liabilities and Assets :

Contingent liability is recognised and provided for when the Company has present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligations and of which a reliable estimate can be made. Contingent liability is disclosed in notes to accounts in case of obligation is disputed and the possibility of an outflow of resources is remote. INDEPENDENT AUDITORS' REPORT

To the Members of Salora International Limited

Report on the consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Salora International Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of

material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.
